ABOUT US

Du Toit Bougroep is a reputable and dynamic building contractor that is dedicated to providing exceptional quality and workmanship. Our company was established by an individual with a strong passion for excellence in construction. With extensive experience in both Residential and Commercial projects, we are committed to exceeding client expectations.

Our focus is on the medium to more extensive market, where we provide personalized attention and exclusivity to each project. Our well-balanced infrastructure allows us to compete in the R5 000 000.00 to R100 000 000.00 contract market with a maximum annual turnover of R150 000 000.00. The Director is actively involved in daily operations, ensuring that we are well-equipped to navigate the challenges of the current market.

We place a high value on integrity, trust, honesty, and professionalism in building long-lasting relationships with our clients. We have skilled and dedicated teams that is equipped to meet the unique vision of each project, using a range of skills, techniques, and processes. As needed, we also employ specialized subcontractors to complement our team. With over 20 years of experience, we are confident in delivering a pleasant building experience to our clients. We also have our own in house formwork and scaffold company together with a concrete polishing division and this allows us to be very competitive in the current market.
